

PROVINCIAL TABLE II.

Population of Townships, States and Hill-Tracts classified by Race.

NOTES 1. The population of the estimated area of East Manglün in the Northern Shan States amounting to 19,649 (males 9,925, females 9,724) has been omitted from this table because statistics for race are not available. The totals in this table for the whole province, the Eastern States and the Northern Shan States are therefore different from those in Provincial Table I.

2. "Other Indigenous Races" (columns 6 and 7) includes all races in groups A to O, except Burmese; "Others" (columns 14 and 15) includes Indians other than Hindus and Muslims, Indo-Burman races (group S), Europeans and Anglo-Indians (group Y) and Other Races (group Z). The classification system for races is given in Part I of Imperial Table XVII and figures for districts are given in Parts II, IIIA and IIIB of that table.
